

International Journal of Advances in Engineering & Technology (IJAET)

ISSN: 2231-1963

Impact Factor (2012): 1.59

**** Smooth, simple and timely publishing of review and research articles! ****

Call for Papers: IJAET, Volume 7 – Issue 4

Deadline : 31th Jul. 2014
Notification : 15th Aug. 2014
Publication : 01st Sept. 2014

IJAET BENEFITS

-  **Rapid Publication**
Quick submission system, Electronic peer review & production make the process of publishing articles very simple and efficient.
-  **Impact Factor & GE Index Ranking**
All published papers are abstracted & indexed in reputed databases.
-  **Inclusion in all Major Bibliographic Databases**
IJAET is already included in major databases and we work to extend the coverage.
-  **Quality and High Standards of Peer Review**
We have a high standard of peer review. A strong Editorial Board help us with policy and decision-making.
-  **High Visibility of Research Articles**
Open Access policy ensures high visibility of your research paper.
-  **Better Promotion of Published Papers**
IJAET ensures maximum exposure of your research work as anyone with online access can read your article.

WWW.IJAET.ORG

IJAET welcomes research articles from scientists, Engineers and Research Scholars involved in all areas of engineering and technology from all over the world to publish high quality research

papers. Papers for [publication in the IJAET are selected through rigorous peer review](#) to ensure originality, timeliness, relevance, and readability.

IJAET is [inviting fresh submissions for its forthcoming issue](#), Volume 7, Issue 4. Authors are encouraged to contribute their original research to the journal by submitting their research papers that comes under any of following category: research findings, projects, literature surveys, review works, case studies, short communications of high quality, theoretical or empirical research articles, book reviews, proposals, analysis, tutorials, editorials as well as pedagogical and curricular issues that describe significant advances in field of Engineering and Technology.

For list of IJAET topics visit, aim and scope (<http://www.ijaet.org/aim-scope-of-ijaet/index.html>)

All submitted papers would be evaluated through a peer-review process conducted by the editorial board of IJAET. For editorial workflow for the peer review process of IJAET visit (<http://www.ijaet.org/peer-review-of-ijaet/index.html>)
